Mark your calendars and spread the word...

The UU Leadership Team Institute is a 21st-century, 6-day residential program for lay leaders, clergy and religious educators wishing to strengthen their team and leadership skills. Return to your UU congregation or organization as a powerful team member, one who can bring faith and action together, using the tools learned through this integrated experience. You will have an opportunity to choose an area of specific focus – governance, small group ministry, growth, social justice or family ministries – while at the same time having chances for cross-pollination, challenge and inspiration from other leaders and experts from all over the four districts and beyond.

Why teams? It takes a team of leaders for change to happen. Come as a team or as an individual who wants to learn how to make a real impact on your community.

Who is a team? Any combination of key lay leaders, board chairs/presidents, clergy, directors of religious education.
